

The Problem

Local businesses lose thousands of dollars every month from missed calls,
 62% of calls go unanswered,
 \$75B lost revenue per year,
 80% can't afford a receptionist.

62%

of calls go
unanswered

\$75B

lost revenue
per year

80%

can't afford
a receptionist

The Solution: FNDI

One platform that handles everything — so you never miss a customer again.

AI Voice Agent

Answers every call 24/7.
Books appointments.
Handles FAQs.
Sounds human.

AI Chatbot

Engages website visitors.
Captures leads instantly.
Recommends services.
Works while you sleep.

CRM & Automation

Tracks every lead.
Sends auto follow-ups.
Texts and emails.
Nothing falls through.
